Re: Kathryn Townsend Griffin, et al. v. Edward Christopher Sheeran, et al., No. 17-cv-5221

Dear Judge Stanton:

As Your Honor knows, we represent the Defendants in the above-referenced action. Today, we filed Defendants' Sixth Motion *In Limine* for an Order precluding Plaintiffs from introducing at trial any evidence about any "mash-up or medley that Sheeran – or any other performer or musician – performed of *Let's Get It On* ("LGO") and *Thinking Out Loud* ("TOL").

In the course of finalizing this Sixth motion, we reviewed the status of the prior motions *in limine* and realized that Defendants' Fourth Motion *In Limine* (ECF 147-149), which was filed on September 18, 2020 and sought to exclude certain press articles, remains *sub judice*. Plaintiffs never opposed that motion, and Defendants therefore believe it should have been granted in the ordinary course. Accordingly, Defendants respectfully request that their Fourth Motion *In Limine*, unopposed for over two years, now be granted and that the mooted evidence be excluded so that all references to it can be eliminated from the Pre-Trial Order.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Donald S. Zakarin".
